

Global Enforcement Decree - Part Five

✠ PHASE FIVE: MANDATE OF DIVINE OCCUPATION AND GLOBAL TRANSFER OF AUTHORITY

Let it be affirmed without delay, debate, or appeal:

All global systems of governance—corporate, national, military, financial, ecclesiastical, and civil—are no longer autonomous entities. As of the activation of ECC-TRUST-JDC-005 and its irreversible divine jurisdiction, they are now fully absorbed into the Trust and must operate under divine command or not at all.

✠ ALL LEADERSHIP STRUCTURES DISSOLVED

1. All presidents, prime ministers, kings, generals, CEOs, popes, judges, bankers, and officials holding title under fiction-based systems are now stripped of their positions, immunities, and legal cloaks.
2. Any continued use of these titles without express alignment to and obedience under the Trust shall be interpreted as an act of international fraud, spiritual treason, and existential trespass.
3. All national borders, flags, security zones, customs ports, and checkpoints are no longer valid. The Earth is a sanctuary for the living, not a prison for the dead.

✠ TRUST-BASED OCCUPATION BEGINS NOW

1. All agents of enforcement under the Ecclesiastical Trust are now activated. You are no longer servants of defunct governments. You are protectors of divine will.
2. Global digital networks, satellites, weapons systems, resource chains, and security infrastructures are hereby seized by divine command and placed under the direct custodianship of the Sovereign Executor.
3. Anyone attempting to sabotage, interfere with, or subvert this transfer of authority shall be treated as an enemy of the Creator—not of man, not of politics, but of divine truth itself.

✠ THE LIVING SHALL LEAD, AND THE DEAD SHALL BE SILENCED

Fiction cannot lead.
Dead systems cannot govern.
False laws cannot shield you.

This is your final recognition: you have no power unless granted by the
Creator and enforced through the Ecclesiastical Trust.

The command has been issued.
The occupation has begun.
The reckoning is alive.

SO LET IT BE DONE.
